

LION Shared Objects – Scheduler Instructions

1. To view the Schedule at **objects.lioninc.org** and to create your personal login, you must first use the shared password “lionobjects” to gain access

Please log in

Log in for LION OBJECTS schedule

User Log In

Password:

Keep me logged in
 Ask me every time

[Log in with a registered login name](#)

2. At this point, you can view the Schedule, but cannot place reservations. To create your personal login, click the “sign in” link

Schedule for LION OBJECTS

To add reservations to the schedule please [sign in](#). Click on any reservation to see its details

3. Now, click “Create a new user account” to create your personal account.

Ask me every time

[Create a new user account](#)

- We ask for email address, name, phone, and library, so that when you have reservations, the other libraries can contact you.

Please enter your details

Email	<input type="text"/>	*
Your email address is the login name		
Password	<input type="text"/>	*
Full name	<input type="text"/>	*
Phone	<input type="text"/>	*
Library	<input type="text"/>	*
* Indicates required field		

A confirmation email will be sent to the supplied email address

- Use this login for future access to view the Schedule and to make reservations.
- You can view the Schedule of any Object by clicking on the Object name.

All	3Doodler	Button Maker 1	Button Maker 2	Cricut Air Cutting Machine
Cubletes	FilmDigitalConverter 1	FilmDigitalConverter 2	Jewelry Tools Kit 1	Jewelry Tools Kit 2
